160x160 cm

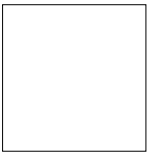

The Nuage series showcases the texture of Calacata Bianco, a classic marble in architecture. Its soft greyish veins flow and dissolve like clouds on the uniform white surface. It offers two unique finishes: Micro Crystal for intense shine and Soft Touch for a soft feel. Like all Roca SuperFormats, they are suitable for floors, walls, and countertops. The rectified edge finish enables application with minimal, nearly imperceptible joints, enhancing the natural stone appearance.
